

Patrick Stach

Senior Partner | Dr. iur. HSG | attorney-at-law, notary public

Patrick Stach studied law at the University of St.Gallen and graduated in 1987. He was admitted to the bar in 1989 and in 1991 he received his doctor's degree.

He is a member of several boards of directors of national and international companies and foundations. Furthermore, he is a member of the management committee of the Euro-American Lawyers Group and inter alia member of the Board of Governors of the University of St.Gallen (highest body at the University), therein inter alia responsible for the Swiss Business Institute of Small Business and Entrepreneurship and the Center for Family Business.

Dr. Stach is the author of several publications on law-related topics in prestigious journals, i.a. *Ärztezeitung* and *Finanz- und Wirtschaft*. He further is the author of publications of Art. 707 – Art. 715a Code of Obligations (Board of Directors) in a substantial comment of the Code of Obligations. He also gives regular lectures on corporate, family, and inheritance law.

Practice areas

Patrick Stach acts as a consultant and as a counsel before all state courts and in (international) arbitration proceedings. His key business activities are corporate, commercial, contract law, banking and capital markets, mergers & acquisitions, corporate governance, labour law, construction law and inheritance law. As a notary public, he makes certifications and notarizations on the territory of the Canton of St.Gallen. He is also active as an executor of wills.

Since March 2015, due to his expertise and experience, the SIX Exchange Regulation has recognized Patrick Stach as a qualified representative under Article 43 Listing Rules in the areas equities (including participation certificates and dividend rights certificates), certificates of deposit and collective investments schemes.
