

Ramon Bühler

Associate | M.A. HSG | attorney-at-law, notary public

Ramon Bühler studied law & economics at the University of St.Gallen (HSG) and graduated in 2013. During his studies he worked for Prof. Dr. Waldburger at the Institute of Public Finance and Fiscal Law at the University of St.Gallen as a research assistant. In 2013 and 2014 he worked as a trainee lawyer for our law firm. He was admitted to the bar in 2015.

Practice areas

Ramon Bühler acts as a consultant and as a counsel before all state courts as well as in (international) arbitration proceedings. His key business activities are corporate, commercial, contract law, banking and capital markets, fintech / blockchain / initial coin offerings (ICO) / token generating events (TGE), mergers & acquisitions, corporate governance, labour law and inheritance law. As a notary public, he makes certifications and notarizations on the territory of the Canton of St.Gallen.
